9824 Pioneer Road Cedarburg, WI 53012-9502

Professional Licensure — Architecture

Wisconsin – 13171-5 Florida – AR101184 Alaska – 201839

Software Knowledge

Adobe Photoshop Lumion AutoDesk AutoCAD / Revit / BIM 360 Microsoft Excel / PowerPoint / Word Bluebeam Revu Rhinoceros Google SketchUp

Experience

GROTH Design Group

Project Architect – November 2021 – May 2023

SD / DD / CD Drafting, Code Research, Client Meetings, Bid Packages, State Submittals, RFI Reviews, Coordinating Material Samples, Site Visits including Documentation, Contextual Research, Due Diligence Work, Construction Administration Work, Client / Consultant Meetings

Novum Structures LLC

Preconstruction Detailer – May 2018 – November 2021

Detailer – November 2017 – May 2018

RFP / RFQ Proposal Drawings, Novum System Standards Drawings, Submittal Drawings, Shop / Fabrication Drawings, Drawing Review, Interface Details, Novum Product Details, AutoCAD Standards / File and Drawing Management

Christopher Kidd and Associates, LLC

Project Technician - May 2016 – September 2017

Due Diligence Work, Building Codes, Life Safety / Permitting, Historic Building Research, Site Analysis, SD / DD / CD Drafting, Client Material Boards, Sample Management, Permit / Bid Drawing Sets, Preparing Drawing Sets, Composing Submittal Packages, Contractor Coordination / Selection, Shop Drawing Reviews

Education

ES AC030 – Fundamentals of Arctic Engineering – October 2022

University of Alaska-Anchorage: College of Engineering

The ES AC030 Fundamentals of Arctic Engineering short course (or equivalent) is required by the Alaska State Board of Registration for Architects, Engineers, and Land Surveyors for the purpose of introducing design, construction, operation, and maintenance challenges unique to cold regions infrastructure. The 2-week online short course provides comprehension of governing principles and knowledge of critical environmental and material parameters associated with good design and engineering practice in cold regions, along with awareness of potential mistakes and pitfalls.

Master of Architecture, M.Arch – May 2016

University of Wisconsin-Milwaukee: School of Architecture and Urban Planning (SARUP)

In conjunction with two Certificates of Graduate Level Concentrations in Ecological Design and Preservation Studies.

Bachelor of Science, Architectural Studies, BSAS – December 2013

University of Wisconsin-Milwaukee: School of Architecture and Urban Planning (SARUP)

Minor – History

Associate of Arts and Science – May 2010

University of Wisconsin-Waukesha
